

Scuba Rangers

at The Houstonian

Scuba Rangers is a pool based scuba club program for children ages 8-12. The program is a modular program designed to keep kids and families involved and growing. The basic program takes the young Ranger from swimming skills to scuba skills in the pool. Along the way they will learn goal setting, water safety, confidence along with underwater photography, buoyancy skills, navigation, and other skills. The Scuba Ranger Core Course is a four session program plus a graduation session. Starfish is based on the same model but for children 4-7 using snorkeling as the foundation. Students can repeat the program and progress toward a Master Ranger Level and/or can enroll in a JR. Open Water Diver Program.

SCUBA Rangers program is 2 1/2 hours for 4 + 1 sessions and includes: Scuba Ranger Core Course, Tuition, Scuba Ranger Logbook, Scuba Ranger Textbook, Carrying Bag, Graduation Materials, Scuba Ranger Card, Graduation Party, Use of equipment in the pool. Program Fee: \$395 Class Size Limit: 6

Starfish Program is an hour for 4 + 1 session and includes: Starfish Core Course Tuition, Starfish Progress Card, Graduation Materials, Starfish Card, Graduation Party, Use of equipment in the pool. Program Fee: \$195 Class Size Limit: 6

Each child needs to be fitted for mask, fins, and other equipment at Oceanic Ventures so they will be ready for class sessions. One time fee: \$154 and equipment which they keep.

This is a fantastic experience for your child and one you don't want them to miss! Call Ann or Ashton for details 713-523-3483.
